

Introduction

Roles and Responsibilities

Governance Strengthening Project (GSP)

EXERCISE: THE ACTING PARTIES AND THEIR ROLES

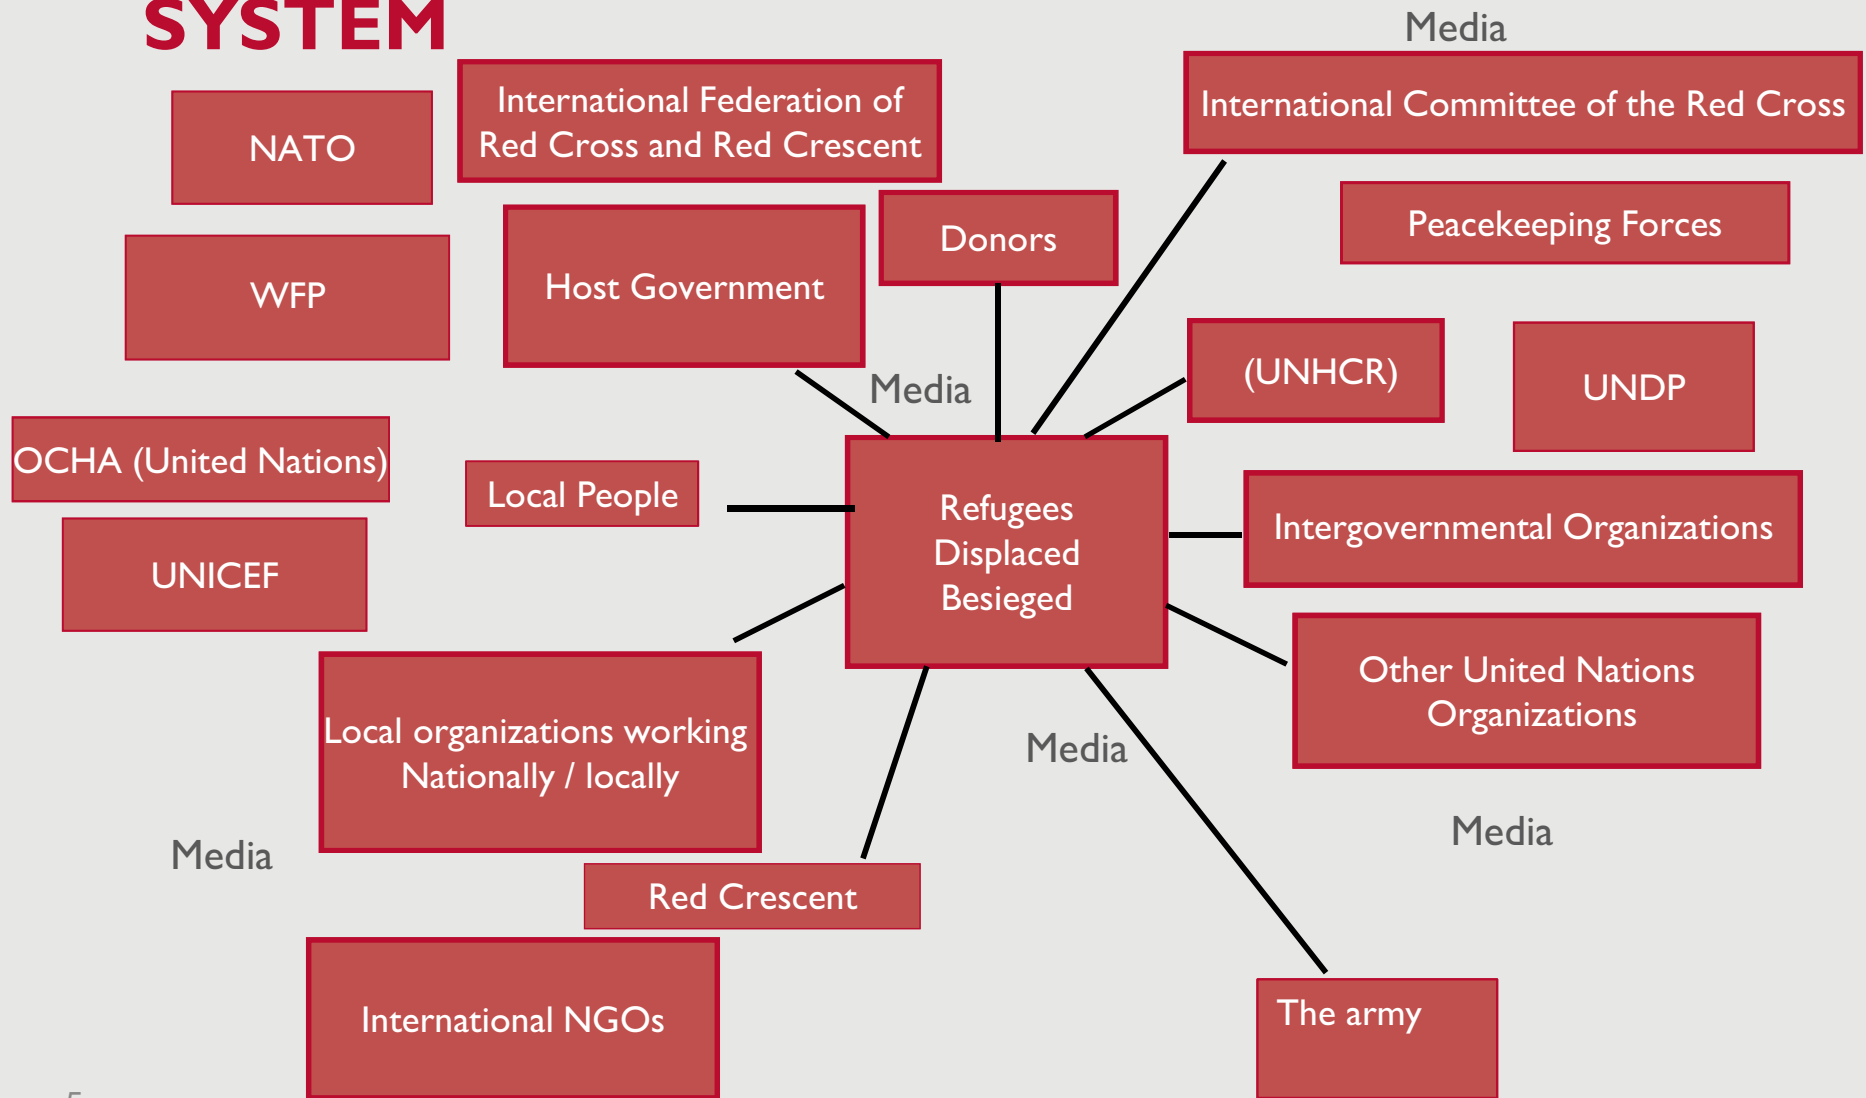

In every disaster, there are two essential groups: the first group is the community affected by the disaster, and the second group is those who provide a helping hand to the first group, such as humanitarian organizations, governments and civil defense, etc.

EXERCISE GUIDELINES

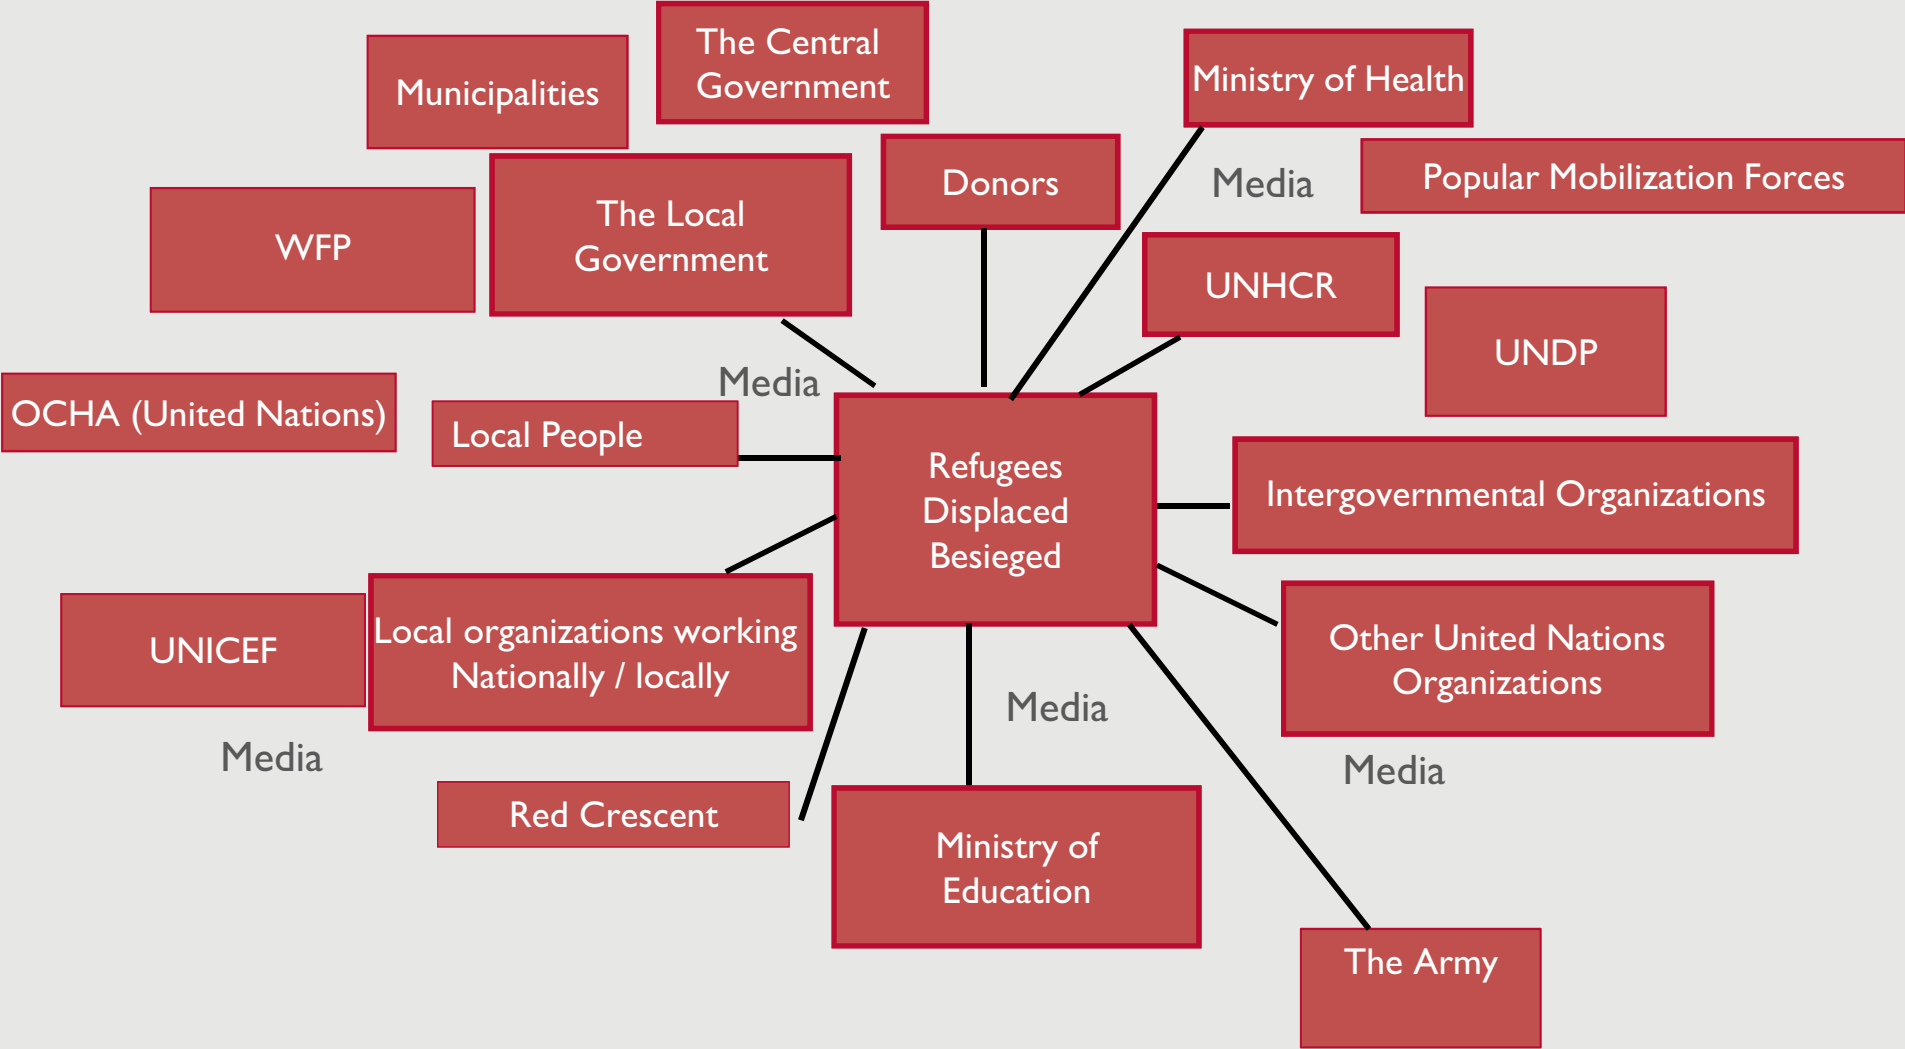

- Try to put yourselves in the place of those who are affected
- Prepare a list of all the acting parties that play a role, whether positive or negative, in the context of the disaster, and the extent of their proximity to the disaster areas
- Arrange active local and international parties on a flip chart to draw a map showing those parties and the extent of their proximity and effect on the crisis

- Arrange active local and international parties on a flip chart to draw a map showing those parties and the extent of their proximity and effect on the crisis

THE INTERNATIONAL SYSTEM

The Local System

Arrange active local and international parties on a flip chart to draw a map showing those parties and the extent of their proximity and impact on the crisis.
